“Enjoying family
TIME
together”

Bailey have been making leisure vehicles for over 70 years, so we know how to get the most out of each and every vehicle we lovingly build.

There's a whole world out there just waiting for you to explore. With a Bailey caravan behind you and the open road ahead, you'll always be able to have your holiday your way.

JOIN THE CLUB

If you're *already* an owner.

Once you've purchased a Bailey you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is completely independent from Bailey of Bristol and is designed to help people get the best out of their Bailey caravan or motorhome. There are members all over the world and there's even a 'Little Bees' section for younger caravanners!

Join the club and you'll receive invitations to low-cost weekend events and rallies across the UK, often at exclusive venues. Plus discounts on longer holidays in the UK and abroad, as well as online discounts at www.primaleisure.com. You'll even have a unique chance to come and tour the Bailey factory to meet the people who created your caravan.

YOUR HOLIDAY *your way*

WHAT MAKES A BAILEY *so unique?*

Alu-Tech Bodyshell construction improves resistance to the elements and increases durability and longevity of the vehicle.

Our caravans achieve the highest classification of **thermal insulation** (grade III) in cold chamber testing, making them genuine four-season vehicles.

All our caravans comply with current **British and European Health and Safety standards** to provide you with the peace of mind knowing everything is legal and safe.

Opening front vertical skylight floods the caravan with natural light as well being a source of extra ventilation.

GRP cloaked outer skin provides greater impact resistance and superior thermal performance.

Market leading Truma (range specific) or Alde (range specific) **heating and water systems** combined with market leading Alu-Tech insulation to keep you comfortable and warm whatever the weather.

Our centrally mounted gas locker improves vehicle stability and easy access to the bottles.

Pre-wired for motor mover fitment for ease of installation, of this popular retailer fit accessory.

Our central floor mounted battery box improves vehicle stability and frees up bed box storage space.

Super safe wheel assemblies, including **pre-balanced alloy wheels** and **bespoke caravan tyres**, provide you with enhanced peace of mind when on your travels.

WE'VE A CARAVAN FOR *everyone*

Our handy comparison table helps you choose the right model, so that you can enjoy your holiday, your way!

“GOING *wherever*
we like
WHENEVER
we want to.”

YOUR
PHOENIX
your choice...

The well-designed, well-equipped yet affordable Phoenix is the perfect base to get out and enjoy the great outdoors. The first choice for your first caravan, the Phoenix offers seven different layouts and can comfortably accommodate two to six people.

With single and twin axle options available, and offering the lightest weights in the Bailey portfolio, the Phoenix can be towed by a wide range of tow vehicles.

Whichever Phoenix you choose, you'll find it extremely well specified and packed with all the home comforts you'll need to enjoy your perfect holiday.

YOUR
 **UNICORN**
your comfort...

The Unicorn is firmly established as one of the most well-designed and well-equipped caravans available today. It provides a choice of eleven layouts on both single and twin axles, and can sleep two to six people.

Perfect for couples and families alike, you'll be spoilt when it comes to picking the one that's right for you. Enjoy the very best in style and comfort with high quality fixtures and fittings, luxurious soft furnishings, light and airy interiors and a host of practical touches.

If you've got more free time to get out and explore, or just want to indulge yourself, the Unicorn is the ideal caravan to meet all your requirements everyday of the year.

11 MODELS

2-6 BERTHS

- Optional 'Finsbury' upholstery (cost option)
- Split section loose fit drop-in carpet
- Drop down hob cover
- Soft close drawers

- Vertical front skylight
- Domestic style fully lined shower cubicle
- Dometic 134 litre refrigerator (model specific)
- Chopping board
- Large 2-drawer front chest with slide out occasional table
- Bespoke caravan bedding sets (cost option)

 USB socket (model specific)

 Truma 100 watt solar panel

 USB sockets in directional spotlights

 Standard 'Brompton' upholstery

 Branded 800 watt microwave oven

 Worktop extension (model specific)

EXTERIOR FEATURES

EXTERNAL FEATURES

- 'Polar white' GRP bodyshell
- **NEW** single piece highline front bumper with integral grab handles
- **NEW** decorative panels on front dome creating a distinctive new look
- **NEW** design step up a-frame fairing
- **NEW** single piece highline rear bumper with full width grab rail
- **NEW** design rear light clusters
- AL-KO one-piece galvanised steel chassis, braking system and running gear
- **NEW** design 14" TUV tested alloy wheels
- Heavy duty rear corner steadies
- Hartal GRP skin two-part large aperture exterior door with window, waste bin & **NEW** dustpan and brush
- LED awning light with integral water management system
- **NEW** design aerodynamically profiled double glazed Polyplastic opening vertical front skylight
- **NEW** design aerodynamically profiled double glazed Polyplastic opening windows throughout
- Clear canopy Heki roof lights located throughout the main habitation area
- **NEW** clear canopy Heki roof light located in washroom
- **NEW** design space saving easy access gas locker
- Exterior 230v socket and 230v power inlet for mains hook-up
- External satellite connection point
- Truma gas BBQ point
- Status 570 telescopic directional digital television aerial
- Easy access exterior storage lockers with moulded interior liner (model specific)
- **NEW** look graphics scheme

ALU-TECH BODYSHELL

- Structural interlocking aluminium extrusion framework with no external fixing points and concealed awning channels on both sides

- Five part fully bonded exterior panel assembly system
- Upper body panels manufactured using superior bead application laminating technology for a stronger more consistent bond
- Upper body panels built using a timber free construction, incorporating a composite plastic internal skeleton, a high density polystyrene insulation and a GRP inner wall lining
- Upper body panels cloaked in a single sheet impact resistant GRP outer skin for extra durability
- Supplied with a 6-year transferable bodyshell integrity warranty and a 3-year transferable manufacturers components warranty*
- 4-year transferable extension to bodyshell integrity warranty (making 10 years in total) and/or 3-year transferable extension to manufacturer's warranty (making 6 years in total) available as cost options*
- EN-1645 Grade III classification for heating and thermal insulation (cold chamber tested)
- European Whole Vehicle Type Approved to be European Standard compliant and certified by the National Caravan Council

SAFETY AND SECURITY

- AL-KO ATC trailer control system
- AL-KO AKS 3004 stabiliser
- AL-KO shock absorbers
- WSL individually laser balanced wheels fitted with 'Security' tyres and anti-tamper WSL safety bolts
- TyrePal Tyre Pressure Monitor System (TPMS)
- Wind down floor mounted spare wheel carrier and spare wheel (steel spare wheel)
- AL-KO caravan jack
- AL-KO Secure portable wheel lock (two for twin axle models)

- **NEW** TRACKER Monitor Thatcham CAT 7 approved Stolen Vehicle Recovery System (including first 3 months subscription fee)
- **NEW** TRACKER PIR activated intruder alarm featuring a tilt sensor and key fob operation
- High security one-key operation throughout
- CRiS identity number anti-tamper labels attached to windows and inside gas locker
- Concealed security data chip within caravan construction
- Smoke alarm
- Carbon monoxide alarm

INTERIOR FEATURES

FURNITURE & FURNISHINGS

FURNITURE & SOFT FURNISHINGS

- **NEW** Bailey 'Eucalyptus' furniture finish
- **NEW** large 2-drawer front chest with slide out occasional table and soft close drawers
- Beech slat seat and bed bases with sprung hinged tops for extra comfort and ease of access
- Slatted front bed make-up system on easy-glide track
- Angled backrest and seat ventilation boards for enhanced heating efficiency
- **NEW** 'Basalt Stone' finish freestanding table with dedicated storage
- Aluminium frame fixed double beds and gas strut assisted opening mechanism
- **NEW** design vertical front skylight surround with integral task lighting
- **NEW** design aircraft style overhead locker system with split level storage and domestic soft close metal hinges
- **NEW** dual finish Italian design overhead locker doors
- **NEW** premium quality chrome finish fixture and fittings

- **NEW** leatherette covered interior grab handle for ease of access in and out of the caravan (model specific)
- **NEW** 'Basalt Stone' finish kitchen and washroom worktop laminate
- Drop-down kitchen worktop extension (model specific)
- **NEW** drop down hob cover worktop in matching 'Basalt Stone' finish
- **NEW** branded perspex kitchen splash-back
- **NEW** soft close kitchen drawers with cutlery tray partition
- **NEW** built-in kitchen wine storage cabinet
- Solid domestic style washroom door with domestic metal handle
- **NEW** 'Granite Stone' fully lined shower cubicle
- **NEW** Bi-fold partition shower door for improved access
- **NEW** in-shower hanging toiletry storage caddy
- **NEW** ceiling mounted pull down hanging rail on shower hood
- **NEW** pedestal washroom hand basin with ceramic ball mixer tap
- **NEW** full width backlit washroom mirror (model specific)
- **NEW** design easy access linen basket in washroom (model specific)
- **NEW** recessed toilet roll storage shelf (model specific)
- **NEW** domestic style sofa seating featuring premium quality fabrics, high density filling and superior foam mattress construction for enhanced comfort
- **NEW** front corner day lounging seating sections
- **NEW** front corner wall-mounted storage pouches
- **NEW** standard 'Brompton' soft furnishings with co-ordinating curtains, two bolster cushions, two large square and two small rectangular scatter cushions
- **NEW** optional 'Finsbury' soft furnishings with co-ordinating curtains, two bolster cushions, two large square and two small rectangular scatter cushions
- Textured finish durable floor vinyl
- **NEW** 'Chocolate Brown' deep pile loose fit drop in carpets (35oz pile weight)
- **NEW** design entrance door mat

SPACE

- Internal headroom of 1.96m (6'5") throughout the length of the caravan

- Body width of 2.28m (7'6")
- Front seats up to 5% longer** (model specific)
- Fixed double beds up to 8% longer** (model specific)
- Kitchen worktop space up to 30% larger** (model specific)

SERVICES

ELECTRICAL SYSTEM

- Truma 100 watt solar panel
- 230v power supply with up to seven Piano Black interior sockets
- **NEW** up to eight USB sockets
- TV station with 230v, 12v and two aerial sockets
- 12v internal lighting system including LED down-lighters and directional spotlights plus **NEW** ambient over locker and floor level lighting
- 12v shower cubicle lighting
- Centrally located under floor leisure battery storage locker
- Centrally located electrical control panel
- Domestic style consumer unit with dedicated access door
- Switch mode battery charger with 20 amp output
- RCD/MCB protection for mains electric system
- Pre-wiring for motor mover (retailer fit)
- 25 metre mains connecting lead

WATER & GAS SYSTEM

- Alde Hydronic Compact 3020 programmable radiator heating system with combined water heating
 - Alde 3020 boiler for improved fuel economy
 - Dual fuel 6.4kw gas and up to 3.15kw electric power sources
 - **NEW** Alde touch screen user-friendly control panel with back up battery for uninterrupted programming
 - Washroom panel radiator
- Propane/Butane 30mb gas regulator mounted in gas locker compartment
- On-board 40L water tank (twin axles only)

- Whale high flow submersible pump
- Inboard rigid pipe waste plumbing system
- **NEW** exclusive Thetford C-260 cassette toilet with remote header tank
- Inboard shower unit with ceramic ball mixer tap and Ecocamel shower head
- **NEW** large fully lined square shower cubicle with bi-fold door

GENERAL EQUIPMENT

- Remis pleated flyscreen and blinds to principal windows
- Remis splash proof roller blind to kitchen window
- Remis 2-part pleated flyscreen and blind to vertical skylight
- Hartal pleated full length flyscreen to exterior door
- **NEW** branded DAB Radio/CD/MP3 player with USB connection point & Bluetooth capability

KITCHEN EQUIPMENT

- Dometic 103 litre (Merida)/134 litre tower refrigerator & 12 litre freezer with electronic ignition and **NEW** black door panel (single axles only)
- Dometic 190 litre tower refrigerator including 35l freezer with electronic ignition and **NEW** black door panel (twin axles only)
- Thetford Caprice combined oven, grill and hob with electronic ignition and flame failure device
- Thetford dual fuel hob with electric hotplate and 3 gas burners
- Branded 800 watt microwave oven
- **NEW** stainless steel kitchen sink with swan-neck mixer tap, washing up bowl, drainer and chopping board

OPTIONAL EXTRAS

- **NEW** optional 'Finsbury' soft furnishings (cost option)
- Bespoke caravan bedding sets to co-ordinate with caravan soft furnishings (model specific)

COMPARE OUR CARAVANS ONLINE

A LITTLE BIT ABOUT BAILEY

It's a big *family* adventure that's been going for over 70 years!

We've come a very long way since 1948 and are delighted to say that we're still a family run business. Needless to say, we're constantly investing in better ways to manufacture the caravans and motorhomes you love, so you can holiday your way, whenever you choose.

The Bailey journey began in 1948, when Martin Bailey built caravans in his garage in South Bristol. His first caravans struck a chord with holidaymakers across the UK and Bailey became a thriving family-run business.

Since those early days, we've helped tens of thousands of families get out there and create some lasting memories to treasure.

We are still run by people that are equally as passionate about helping to create the perfect holiday for you.

Through our wealth of experience in caravan production and design, we're inspiring a whole new generation of people to enjoy their holiday, their way!

gratefully RECEIVED...

We are very proud to add these awards to our collection.

ALU-TECH MEANS YOU CAN

One of the most important developments in the recent history of leisure vehicle design happened ten years ago when Bailey introduced their patented Alu-Tech construction system. Prior to this basic leisure vehicle design had not changed for three decades and whilst it had served us well in that period it was not without its drawbacks. Consequently, Bailey asked “is there a better way?”

The result of the most comprehensive development programme the industry has ever known, Alu-Tech heralded a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything that had gone before.

A significant reduction in the number of external joints and fixing points along with the use of timber-free components

in the upper bodyshell panels also provides greater protection against the elements. Whilst thicker, fuller insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic) massively improves the thermal performance of the bodyshell making the motorhomes genuine four-season vehicles. And when you consider that all these benefits of ownership have been achieved without a weight or cost penalty you can begin to see why the Alu-Tech construction system is so unique.

To date, 60,000 Bailey leisure vehicles have been built with this fully patented technology and are currently being used and enjoyed around the world.

1. Polystyrene core
2. Composite plastic extrusion
3. Alu-Tech rail
4. Structural fixing bracket
5. Alu-Tech rail insulation
6. GRP (glass reinforced plastic) outer and inner skin

How is Alu-Tech better?

- 1. Increased strength and durability...**
giving you greater protection against the elements to keep you comfortable, safe and secure all year round.
- 2. Improved insulation...**
keeping you warmer in the winter and cooler in the summer allowing you to holiday wherever and whenever you want.
- 3. Improved protection...**
greater resistance to the elements increases the longevity of the vehicle and provides additional peace of mind to the owner.
- 4. Lighter bodyshell...**
making Bailey caravans accessible to a wider range of drivers and making it more economic to own.
- 5. Better balanced bodyshell...**
makes the caravan inherently more stable enabling it to take even the most demanding journeys in its stride.
- 6. Cost neutral improvements...**
all of the benefits of Alu-Tech come at no extra cost to the customer.

TESTED TO THE LIMIT

On the dusty roads of Europe and Asia, the dirt roads of Australia and the snow and ice of the Arctic...
Our caravans are proven to *perform* whatever the weather.

Last year, we took two caravans and a motorhome and drove through 21 countries in 21 days covering some 5,000 miles.

#bristanbul

We are passionate about the performance of our products, which is why we go to great lengths to ensure that every aspect of their design is thoroughly evaluated before they go on sale. By concentrating on fewer but more significant new product launches we can push our vehicles harder, further and longer during the assessment process. This allows us to continually set industry performance standards.

All new ranges, for example, are subjected to cold chamber testing in temperatures as low as -15 degrees centigrade where, working with our heating system suppliers, we achieve the best possible results in thermal insulation classification.

Full structural evaluations are carried out when required through a series of accelerated life tests at the international renowned Millbrook Proving Ground. This creates conditions far in excess of what a caravan is likely to encounter in its lifetime.

In 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback.

Simulated track testing is one thing but we believe that nothing actually beats putting your products through their paces yourself in challenging real-life situations. Which is why in 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback. During the two-week trip they stood up to everything the elements could throw at them and proved they could hold their own in even the toughest conditions.

Buoyed by this success, in 2017, we embarked on another marathon endurance test, this time with two caravans and a motorhome on a 5,000-mile trip to Northern Finland inside the Arctic Circle. The circumstances there could not have been more different from those in the Red Centre of Australia, but

once again they took everything in their stride, proving that they are genuine 'go anywhere' and 'do anything' vehicles.

With two triumphant expeditions under our belt, last year we decided to set a third monumental durability test. Wanting to truly test our vehicles durability, we travelled relentlessly across two continents, achieving a total of 21 countries within 21 days without respite. The vehicles proved more than capable for our epic Intercontinental caravan and motorhome adventure. You can see much more at #bristanbul.

To see the UK's toughest caravans in action on these exciting expeditions, why not visit our website at www.baileyofbristol.co.uk

In 2017, we took two caravans and a motorhome on a 5,000 mile round trip to Northern Finland inside the Arctic Circle.

MANUFACTURING IN BRISTOL

We're leading the way

Our on-site replenishment centre.

Our advanced chassis assembly area.

At Bailey, we are one big family. We have been building Bailey leisure vehicles here in South Bristol since 1948 and are now very much part of the local community.

The majority of our employees live nearby and have been with us for a long time (average length of service is actually 12 years). As a result, our workforce possess the necessary skills and experience to successfully manufacture a complex range of caravans and motorhomes in the same plant. All full-time technicians are salaried to ensure everybody working here is focussed on quality as well as quantity.

Whilst a product is only as good as the people behind it, it is important that they have the tools to do the work required. Consequently, over the past twenty years in particular Bailey has invested heavily in its South Liberty Lane production facility, to the extent that it is now widely regarded as one of the most advanced in Europe. Central to this was the installation of the UK's only mechanised assembly line, which improves both the speed and accuracy of the production process.

Not wishing to rest on our laurels however, we have recently taken the bold decision to completely re-develop our existing

14.5-acre site over the next five years to push UK leisure vehicle manufacturing to the next level. The relocation of our Prima Leisure (Bailey parts) operation to North Bristol and our Large Panel Laminating Plant (where we produce the caravan sides, ceilings and floors) to North Somerset means we have cleared the space for building work to begin. In 2016, phase one of the programme was completed with the construction of a purpose-built Replenishment Centre which allows us to house the thousands of components required to create our caravans and motorhomes under one roof.

Our Large Panel Laminating Plant has moved to North Somerset.

Our Prima Leisure operation is now located in North Bristol and is (we believe) the best of its kind.

WE ARE
confident...

...that with this investment, along with the continued support of our loyal workforce, Bailey caravans and motorhomes will remain a familiar sight on parks and pathways across the country for many more years to come.

HOW TO BUY A BAILEY...

Closer than you think.

The next step is to find out a little bit more. We have a network of approved retailers across the country that we trust to sell our caravans. We choose to work with partners who we believe to be the best, so by visiting your nearest Bailey retailer you can be sure you'll be talking to an expert.

Experience Bailey for yourself

There you'll be able to view a wide choice of both new and pre-owned Bailey caravans*, in which you can spend time in order to decide what model best suits your needs.

The Bailey warranty

When you're buying a new Bailey, your caravan will come with all the reassurance of our manufacturer's warranty. Your caravan's bodyshell is covered with a 6-year integrity warranty, while other parts and components are covered for up to 3 years**. Whether you're new to caravanning or you're a seasoned caravanner, that gives you some excellent peace of mind when you're out on the open road.

When it comes to making the final decision, there are various finance options available to you, in order to make your purchase more affordable. Feel free to ask at your local retailer if you'd like to know more.
