“Freedom to enjoy the  
*open* roads and the  
countryside too!”

Bailey have been making leisure vehicles for over 70 years, so we know how to get the most out of each and every vehicle we lovingly build.

We understand that getting away in your motorhome brings you freedom like no other, and provides long lasting memories to cherish with the ones you love. So whether you'll spend a month travelling, a night in a city or a week away, you'll always be able to have your holiday your way, in a Bailey Motorhome.

## JOIN THE CLUB

If you're *already* an owner.

Once you've purchased a Bailey you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is completely independent from Bailey of Bristol and is designed to help people get the best out of their Bailey caravan or motorhome. There are members all over the world and there's even a 'Little Bees' section for younger caravanners!

Join the club and you'll receive invitations to low-cost weekend events and rallies across the UK, often at exclusive venues. Plus discounts on longer holidays in the UK and abroad, as well as online discounts at [www.primaleisure.com](http://www.primaleisure.com). You'll even have a unique chance to come and tour the Bailey factory to meet the people who created your motorhome.

# WHAT MAKES A BAILEY *so unique?*

**Alu-Tech Bodysell construction** improves resistance to the elements and increases durability and longevity of the vehicle.

The fully specified **Peugeot Boxer cab** has air-con, cruise control, driver and front passenger airbags and concertina windscreen blinds included as standard, providing enhanced comfort and practicality.

The **Peugeot Euro 6 130bhp/160bhp Boxer engine** with 6-speed manual gear box provides superior performance with lower vehicle emissions.

All our motorhomes comply with current **British and European Health and Safety standards** to provide you with the peace of mind knowing everything is legal and safe.

We were the first leisure vehicle company to **crash test** our vehicles during development. As a result our models feature reinforced floors and strengthened furniture to enhance passenger protection and safety.

Fitted with a **premium leisure battery** as standard for enhanced electrical performance, in a dedicated floor mounted housing.

**Large capacity fresh water tanks (90L+) and waste water tanks (95L+)** give you the freedom to travel for extended periods off-grid.

**Double glazed opening sky view** over cab window floods the cab with natural light as well being a source of extra ventilation.

**GRP cloaked outer skin** provides greater impact resistance and superior thermal performance.

Our motorhomes achieve the highest classification of **thermal insulation (grade III)** in cold chamber testing, making them genuine four-season vehicles.

Market leading Truma (range specific) or Alde (range specific) **heating and water systems** combined with market leading Alu-Tech insulation to keep you comfortable and warm whatever the weather.

**Ultra-low profile AL-KO AMC chassis** creates a lower centre of gravity for a better drive, and easier access in to the living area.

# Choices, choices WHICH MOTORHOME SUITS YOU?

Our handy comparison table helps you choose the right model, so that you can enjoy your holiday, your way!

# YOUR **ADVANCE** *your everyday...*

The Advance is a range of lightweight, spacious, and well-equipped, yet affordable vehicles perfect for people looking to commit to their first new motorhome purchase. Featuring a model under six metres long, the Advance is small enough to manoeuvre through country lanes and city roads alike, while large enough for you to take everything you need.

With the Advance range offering nine different layouts with travel seats and berths for two to six people, you'll be spoiled for choice when it comes to picking the perfect motorhome for you.

All models are built using a well-specified Peugeot cab and are built on a 3500kg chassis to make them suitable for anybody holding a full UK driving licence.

With comfort and convenience aplenty, you'll wonder how you travelled any other way. With clever design touches and modern interiors, the Advance takes style to the next level.

# YOUR **ALLIANCE** *your freedom...*

Offering the perfect balance of comfort, style, practicality and value, the Alliance is the perfect vehicle to discover new horizons and experience the freedom to go anywhere. Agile and well proportioned, this versatile range includes a model under six metres long enabling you to be as comfortable driving in and around town, as you are on the open road.

With seven layouts in the line-up and travel seats and berths for two to six people, this motorhome range offers something for everyone whether you travel alone, in a couple or as part of a family.

All models are powered by the latest Peugeot engine and have a fully specified cab offering you enhanced comfort and practicality. Built on a 3500kg chassis, these stylish motorhomes can be driven by anyone holding a full UK driving license.

Alliance offers all the comforts of a great motorhome as well as additional features that make journeying that little bit extra special.

- Foam filled upholstery with quality fabrics and high density filling
- Foam filled bed mattresses (76-2, 76-4, 76-2T, 76-4T)
- Foam filled double bed mattress on a sprung base (70-6)
- **NEW** standard 'Portland' soft furnishings with four scatter cushions and co-ordinating curtains
- **NEW** optional 'Wandsworth' soft furnishings with four scatter cushions and co-ordinating curtains

- Textured finish durable floor vinyl
- **NEW** 'Pebble Shore' Split section loose fit drop in carpets (35oz pile density)

**SERVICES**

**ELECTRICAL SYSTEM**

- **NEW** Truma 100 watt solar panel
- 80 ampere/hour premium leisure battery
- Dedicated under floor leisure battery storage locker
- Electrical control panel with phone shelf
- 12v ambient and task lighting fittings throughout
- Ambient over locker lighting
- 12v shower cubicle lighting
- 230v power supply with up to four interior sockets
- USB sockets
- TV station with 230v/12v/aerial socket
- Domestic style consumer unit with dedicated access door
- Switch mode battery charger with 20 amp output
- RCD/MCD protection for mains electric system
- 25 metre mains connecting lead
- Status TV aerial
- Pre-wired for satellite and aerial connection (retailer fit)
- Pre-wired for rear view camera (retailer fit)

**WATER AND HEATING SYSTEMS**

- Truma combi 4E heating system with combined water and room heating
- User-friendly digital control panel with adjustable fan and water boost functions
- Dual fuel 4kw gas and 1.8kw electric power sources
- Whale Hi-Flo on-board water pump
- Pressurised hot and cold fresh water system
- Rigid pipe waste plumbing system
- 95 litre on-board fresh water tank with baffles and level sensor

- 93.5 litre external waste water tank with baffles and level sensor
- Thetford C-260 cassette toilet with integrated header tank
- Shower with ceramic ball mixer tap and Ecocamel shower head
- 'Granite Stone' finish fully lined shower cubicle with concertina partition door (59-2, 66-2, 76-2, 76-4, 76-2T, 76-4T)
- 'Granite Stone' finish fully lined shower wet room with partition curtain (70-6)
- Washroom hand basin with ceramic ball mixer tap

**KITCHEN EQUIPMENT**

- Dometic 95 litre refrigerator with detachable freezer compartment
- Thetford Triplex combination oven and grill with a 3 gas burner hob
- Glass heat shield (59-2, 70-6)
- Branded 800 watt microwave oven
- Stainless steel square kitchen sink with swan neck mixer tap, washing up bowl, drainer and chopping board

**SAFETY AND SECURITY**

- AL-KO outriggers fitted to AMC chassis for enhanced floor strength
- 3-point seat belts on all designated travelling seats (76-4, 76-4T, 70-6)
- Steel frame seat base supports for all travelling seats (76-4, 76-4T, 70-6)
- Steel framed seat base tops with velcro base cushion fastenings for all designated travelling seats (76-4, 76-4T, 70-6)
- Steel framed structural bulkhead to support rear-facing designated travelling seats (70-6)
- 'Fix and Go' tyre repair kit
- Smoke alarm and carbon monoxide alarm

**OPTIONAL EXTRAS**

- **NEW** optional 'Wandsworth' soft furnishings
- Bespoke motorhome bedding sets to co-ordinate with soft furnishings (model specific)

# YOUR *Autograph* your style...

Our flagship Autograph range offers the ultimate in style and practicality, ensuring you can take all your home comforts with you and make your home wherever you go.

With up to six travel seats and six layouts to choose from, the Autograph provides plenty of choice, ensuring you choose the model that's right for you.

Designed to be driven, each model is powered by the latest Peugeot 2.0 Hdi 160 bhp engine and the fully specified cabs ensure every detail has been carefully thought about to create an attractive and comfortable space for driver and passengers alike.

The ingenious design throughout the Autograph interior creates a real feeling of space and light, whilst the huge range of luxury features means the Autograph comes packed with everything you need to travel well.

## VEHICLE CONSTRUCTION

### PEUGEOT BOXER CAB

- Peugeot fully compliant Euro 6 Boxer Cab supplied with a 3-year/100,000 mile warranty and 36 months Peugeot European assist cover
- Peugeot 2.0 Blue Hdi (High Pressure Direct Injection) 160bhp engine with 6-speed manual gear box
- 'Glacier' white cab with colour coded bumpers
- **NEW** alloy wheels as standard with premium branded tyres and tyre pressure sensors
- Remote central locking for cab and habitation door

- **NEW** battery isolator
- Electric cab windows and heated wing mirrors with direction indicators
- Variable power steering
- Electronic Stability Program (ESP)
- Anti-lock braking system (ABS)
- Engine immobiliser
- Cab air conditioning and cruise control
- Driver and front passenger airbags
- Fully adjustable upholstered driver and passenger Captain's seats with twin armrests and integrated headrests

### CONSTRUCTION

- Ultra-low profile AL-KO AMC Chassis
- AL-KO AMC Chassis prepared for towbar fitment
- Alu-Tech bodyshell habitation area
- Supplied with a 6-year transferable bodyshell integrity warranty and a 3-year transferable manufacturer's components warranty\*
- 4-year transferable extension to bodyshell integrity warranty available as a cost option (making 10 years in total)\*
- 3-year transferable extension to manufacturer's component warranty available as a cost option (making 6 years in total)\*
- BS EN-1646-1 Grade III classification for heating and thermal insulation
- European Whole Vehicle Type Approval
- Structural interlocking aluminium extrusion external framework with no external fixing points for additional strength and rigidity
- Upper body panels manufactured using superior bead application laminating technology for a stronger more consistent bond
- Upper body panels built using a timber free construction, incorporating a composite plastic internal skeleton, a high density polystyrene insulation and a GRP inner wall lining
- Upper body panels cloaked in a single sheet impact resistant GRP outer skin for extra durability
- Strengthened floor panel with GRP underside protection

## EXTERIOR FEATURES

- 'Aero Style' rear bumper and light pillars with LED road lights
- Fiamma F45S wind-out awning
- Dometic slim line flush fit habitation door with window, blind and bin plus a gas-strut assisted mechanism for smooth operation
- Dometic pleated full length door flyscreen
- Low level door step with non-slip mat and grab handle (model specific)
- Double glazed windows throughout
- Double glazed opening sky view over cab window with blind
- Large Heki roof light over front lounge (model specific) and kitchen
- Large Heki roof light located over rear lounge or bedroom
- Pleated flyscreens and night blinds to all principal windows
- Splash proof roller blinds for kitchen window
- Centrally mounted exterior gas locker compartment with flush fit double seal exterior locker door featuring heavy duty handles, two compression locks and retaining clip
- Propane/Butane en-route gas 30mb regulator mounted in gas locker compartment
- Underbed storage area with flush fit double seal exterior access door with two compression locks and retaining clip (75-2, 75-4)

- **NEW** Peugeot Sat Nav system
- Concertina windscreen and side window blinds
- DAB Radio with Bluetooth connectivity and 2 door speakers
- Two 12v sockets and USB connection point in storage locker
- Twin cup holders

Everything  
YOU NEED TO  
KNOW ABOUT  
Autograph

- Through-boot storage area with flush fit double seal exterior access door with two compression locks and retaining clip plus one 230v socket and dedicated light (79-4, 79-4T)
- Through-boot storage area with flush fit large double seal exterior access door with two compression locks and retaining clip (79-6)
- Exterior 230v power inlet
- Exterior gas BBQ point
- Vision Plus satellite connection provision
- Fixing points for rear mounted cycle rack
- Diffuser at base of rear bumper for optional towbar fitment

## INTERIOR FEATURES

### FURNITURE AND SOFT FURNISHINGS

- Bailey 'Mendip Ash' furniture finish
- Contemporary design high gloss dual finish overhead lockers
- Satin finish soft-close drawers with push button handles in kitchen
- Satin finish locker doors and vanity units in washroom
- 'Aero Style' overhead locker system with split level storage, gas struts, domestic style metal hinges and push open locker doors
- Electrical control panel interface with USB socket and **NEW** phone shelf (68-2, 75-2, 75-4, 79-4, 79-4T)
- Basalt stone finish kitchen and washroom worktop laminate
- Drop-down kitchen worktop extension (75-2, 79-4, 79-4T, 79-6)
- Domestic standard kitchen units featuring durable worktop surfaces and heavy duty drawers with positive catches
- **NEW** opaque white kitchen drawer fascias
- Premium quality fixtures and fittings in brushed steel finish
- Slide out bed boxes for easy bed make up
- Sprung beech bed box tops for additional comfort
- Drop down flaps on front bed box fascias (75-2, 75-4, 79-6)
- Deep-fill bed boxes with enhanced storage capacity (79-6, 75-2, 75-4)
- Fixed double beds with gas strut assisted opening mechanism (75-2, 75-4, 79-4)
- Fixed single beds with gas strut assisted opening mechanism (79-4T)
- Ceiling mounted mechanically operated Alu-Line transverse drop down double bed with sprung base (79-6)
- Floor mounted table with dedicated storage (79-4, 79-4T)
- Wall mounted table with dedicated storage (75-4)
- Free standing and wall mounted table with dedicated storage (79-6)
- Free standing table with dedicated storage (75-2)
- Foam filled upholstery with quality fabrics and high density filling
- **NEW** Fibertek upholstery lining giving you 2x thickness for extra comfort
- 'Grosvenor' soft furnishings with two scatter cushions, decorative window panels and roman window blinds
- Fully lined curtains in dedicated bedrooms (75-2, 75-4, 79-4, 79-4T)
- Textured finish durable floor vinyl
- Split section loose fit drop in carpets (50oz pile density)

## SERVICES

### ELECTRICAL SYSTEM

- Truma 100 watt solar panel
- 110 ampere/hour premium leisure battery
- Dedicated under floor twin leisure battery storage locker
- Electrical control panel
- 12v ambient and task light fittings throughout
- Additional ambient over locker lighting
- Additional low level task lighting
- 12v shower cubicle lighting
- 230v power supply with up to eight new design interior sockets
- USB sockets
- Up to two TV stations with 230v/12v/aerial sockets
- **NEW** Avtex 18.5" HD Digital TV with DVD/CD Player as standard
- **NEW** double arm swivel and tilt mount TV bracket as standard (79-4, 79-4T, 79-6)
- **NEW** 550 telescopic directional digital television aerial as standard
- Waeco reversing camera and screen
- Pre-wired for satellite (retailer fit)
- Switch mode battery charger with 20 amp output
- RCD/MCD protection for mains electric system

### WATER AND HEATING SYSTEMS

- Alde Hydronic Compact 3020 programmable radiator heating system with combined water heating
- Touch screen user-friendly control panel
- Dual fuel 3.4 Kw gas and 3 Kw electric power sources
- Programmable daily timer
- Panel radiator in washroom
- Panel radiator in living area (79-4, 79-4T, 79-6)
- Whale Aqua smart II on-board water pump with Aquasource 'lay flat' filling pipe
- Pressurised hot and cold fresh water system and self-priming pump
- Rigid pipe waste plumbing system

- 93.5 litre external insulated water tank with baffles and level sensor
- Fresh water tank heater for winter protection and overflow
- 93.5 litre external waste water tank with baffles and level sensor
- 12v electric flush toilet with removable cassette on wheels
- Shower with ceramic ball mixer tap and Ecocamel shower head
- Fully lined shower cubicle
- 'Granite stone' finish shower cubicle with concertina partition door
- Pedestal washroom hand basin with ceramic ball mixer tap
- **NEW** ceiling mounted pull down hanging rail (model specific)
- Retractable clothes line (model specific)

## KITCHEN EQUIPMENT

- Dometic 145 litre tower refrigerator and detachable full width freezer compartment
- Thetford Duplex XL combined oven and grill with electronic ignition and flame failure device
- Thetford dual-fuel hob with electric hotplate and 3 gas burners
- Branded 800 watt microwave oven
- Stainless steel square kitchen sink with swan-neck mixer tap, drainer and chopping board

## SAFETY AND SECURITY

- AL-KO outriggers fitted to AMC Chassis for enhanced floor strength
- Ergonomically shaped rear travel seats (75-4, 79-4, 79-4T, 79-6)
- Steel frame seat base supports for all travelling seats (75-4, 79-4, 79-4T, 79-6)
- Steel framed structural bulkhead to support rear-facing designated travelling seats (79-6)
- 'Fix and Go' tyre repair kit
- Smoke alarm and carbon monoxide alarm

## OPTIONAL EXTRAS

- Bespoke motorhome bedding sets to co-ordinate with soft furnishings (model specific)

## A LITTLE BIT ABOUT BAILEY

It's a big *family* adventure that's been going for over 70 years!

We've come a very long way since 1948 and are delighted to say that we're still a family run business. Needless to say, we're constantly investing in better ways to manufacture the caravans and motorhomes you love, so you can holiday your way whenever you choose.

The Bailey journey began in 1948, when Martin Bailey built caravans in his garage in South Bristol. His first caravans struck a chord with holidaymakers across the UK and Bailey became a thriving family-run business.

Since those early days, we've helped tens of thousands of families get out there and create some lasting memories to treasure.

We are still run by people that are equally as passionate about helping to create the perfect holiday for you.

Through our wealth of experience in caravan production and design, we're inspiring a whole new generation of people to enjoy their holiday, their way!

gratefully  
RECEIVED...

We are very proud to add this award to our collection.

“ WE JUST WANT PEOPLE TO  
*enjoy*  
MOTORHOME HOLIDAYS  
AS MUCH AS WE DO! ”

**Nick Howard.**  
Managing Director.

## ALU-TECH MEANS YOU CAN

One of the most important developments in the recent history of leisure vehicle design happened ten years ago when Bailey introduced their patented Alu-Tech construction system. Prior to this basic leisure vehicle design had not changed for three decades and whilst it had served us well in that period it was not without its drawbacks. Consequently, Bailey asked “is there a better way?”

The result of the most comprehensive development programme the industry has ever known, Alu-Tech heralded a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything that had gone before.

A significant reduction in the number of external joints and fixing points along with the use of timber-free components

in the upper bodyshell panels also provides greater protection against the elements. Whilst thicker, fuller insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic) massively improves the thermal performance of the bodyshell making the motorhomes genuine four-season vehicles.

And when you consider that all these benefits of ownership have been achieved without a weight or cost penalty you can begin to see why the Alu-Tech construction system is so unique.

**A 60,000**

To date, 60,000 Bailey leisure vehicles have been built with this fully patented technology and are currently being used and enjoyed around the world.

1. Polystyrene core
2. Composite plastic extrusion
3. Alu-Tech rail
4. Structural fixing bracket
5. Alu-Tech rail insulation
6. GRP (glass reinforced plastic) outer and inner skin

### How is Alu-Tech better?

- 1. Increased strength and durability...**  
giving you greater protection against the elements to keep you comfortable, safe and secure all year round.
- 2. Improved insulation...**  
keeping you warmer in the winter and cooler in the summer allowing you to holiday wherever and whenever you want.
- 3. Improved protection...**  
greater resistance to the elements increases the longevity of the vehicle and provides additional peace of mind to the owner.
- 4. Lighter bodyshell...**  
making Bailey motorhomes accessible to a wider range of drivers and making it more economic to own.
- 5. Better balanced bodyshell...**  
makes the motorhome inherently more stable enabling it to take even the most demanding journeys in its stride.
- 6. Cost neutral improvements...**  
all of the benefits of Alu-Tech come at no extra cost to the customer.

# TESTED TO THE LIMIT

On the dusty roads of Europe and Asia, the dirt roads of Australia and the snow and ice of the Arctic...  
Our motorhomes are proven to *perform* whatever the weather.

Last year, we took two caravans and a motorhome and drove through 21 countries in 21 days covering some 5,000 miles.

#bristanbul

We are passionate about the performance of our products, which is why we go to great lengths to ensure that every aspect of their design is thoroughly evaluated before they go on sale. By concentrating on fewer but more significant new product launches we can push our vehicles harder, further and longer during the assessment process. This allows us to continually set industry performance standards.

All new ranges, for example, are subjected to cold chamber testing in temperatures as low as -15 degrees centigrade where, working with our heating system suppliers, we achieve the best possible results in thermal insulation classification.

Full structural evaluations are carried out when required through a series of accelerated life tests at the international renowned Millbrook Proving Ground. This creates conditions far in excess of what a motorhome is likely to encounter in its lifetime.

In 2017, we took two caravans and a motorhome on a 5,000-mile round trip to Northern Finland inside the Arctic Circle.

Simulated track testing is one thing but we believe that nothing actually beats putting your products through their paces yourself in challenging real-life situations. Which is why in 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback. During the two-week trip they stood up to everything the elements could throw at them and proved they could hold their own in even the toughest conditions.

Buoyed by this success, in 2017, we embarked on another marathon endurance test, this time with two caravans and a motorhome on a 5,000-mile trip to Northern Finland inside the Arctic Circle. The circumstances there could not have been more different from those in the Red Centre of Australia, but

once again they took everything in their stride, proving that they are genuine 'go anywhere' and 'do anything' vehicles.

With two triumphant expeditions under our belt, last year we decided to set a third monumental durability test. Wanting to truly test our vehicles durability, we travelled relentlessly across two continents, achieving a total of 21 countries within 21 days without respite. The vehicles proved more than capable for our epic Intercontinental caravan and motorhome adventure. You can see much more at #bristanbul.

To see the UK's toughest motorhomes in action on these exciting expeditions, why not visit our website at [www.baileyofbristol.co.uk](http://www.baileyofbristol.co.uk)

# MANUFACTURING IN BRISTOL

*We're leading the way*

Our advanced chassis assembly area.

At Bailey, we are one big family. We have been building Bailey leisure vehicles here in South Bristol since 1948 and are now very much part of the local community.

The majority of our employees live nearby and have been with us for a long time (average length of service is actually 12 years). As a result, our workforce possess the necessary skills and experience to successfully manufacture a complex range of caravans and motorhomes in the same plant. All full-time technicians are salaried to ensure everybody working here is focussed on quality as well as quantity.

Our on-site replenishment centre.

Whilst a product is only as good as the people behind it, it is important that they have the tools to do the work required. Consequently, over the past twenty years in particular Bailey has invested heavily in its South Liberty Lane production facility, to the extent that it is now widely regarded as one of the most advanced in Europe. Central to this was the installation of the UK's only mechanised assembly line, which improves both the speed and accuracy of the production process.

Not wishing to rest on our laurels however, we have recently taken the bold decision to completely re-develop our existing

Our Large Panel Laminating Plant has moved to North Somerset.

14.5-acre site over the next five years to push UK leisure vehicle manufacturing to the next level. The relocation of our Prima Leisure (Bailey parts) operation to North Bristol and our Large Panel Laminating Plant (where we produce the caravan sides, ceilings and floors) to North Somerset means we have cleared the space for building work to begin. In 2016, phase one of the programme was completed with the construction of a purpose-built Replenishment Centre which allows us to house the thousands of components required to create our caravans and motorhomes under one roof.

Our Prima Leisure operation is now located in North Bristol and is (we believe) the best of its kind.

WE ARE  
*confident...*

...that with this investment, along with the continued support of our loyal workforce, Bailey caravans and motorhomes will remain a familiar sight on parks and pathways across the country for many more years to come.

# HOW TO BUY A BAILEY...

*Closer* than you think.

The next step is to find out a little bit more. We have a network of approved retailers across the country that we trust to sell our motorhomes. We choose to work with partners who we believe to be the best, so by visiting your nearest Bailey retailer you can be sure you'll be talking to an expert.

## Experience Bailey for yourself

There you'll be able to view a wide choice of both new and pre-owned Bailey motorhomes\*, in which you can spend time in order to decide what model best suits your needs.

## The Bailey warranty

When you're buying a new Bailey, your motorhome will come with all the reassurance of our manufacturer's warranty. Your motorhome's bodyshell is covered with a 6-year integrity warranty, while other parts and components are covered for up to 3 years\*\*. Whether you're new to motorhomes or you're a seasoned traveller, that gives you some excellent peace of mind when you're out on the open road.

When it comes to making the final decision, there are various finance options available to you, in order to make your purchase more affordable. Feel free to ask at your local retailer if you'd like to know more.
