

Transfer of warranty for Bailey of Bristol Leisure Vehicles

If a Bailey Of Bristol caravan or motorhome is sold before the end of the original warranty, the remaining period can be transferred to the new owner using this warranty transfer form together with the items on the checklist below. **It is the responsibility of the new owner to ensure that this happens.**

Please note that there is a timeframe of 3 months after the acquisition of the caravan or motorhome by the new owner to transfer the warranty into their name. Failure to request this transfer within 3 months will invalidate any remaining warranty.

For full details of the warranty cover provided with your vehicle please refer to either your Vehicle Owners Handbook or the relevant section on the www.baileyofbristol.co.uk company website.

Please note that terms and conditions for the warranty apply. Notably in order for the warranty to remain valid, it must have been serviced annually from new by an Approved Bailey Retailer, Approved Bailey Service Centre or NCC Approved Workshop. Failure to do so will invalidate any further warranty cover.

There is an administration fee charged for this service of £35 inc VAT charged for the warranty transfer service.
