Caravans 2022

Welcome to Bailey, The Nation's Favourite.

We've been proudly hitting the road for over 70 years. Along the way, we've built hundreds of thousands of Bailey caravans and motorhomes, each of them made with one thing in mind: creating the perfect holiday.

So, no matter which of our models you choose for your home away from home; comfort, convenience and adventure are built into every one.

GO BAILEY! We can't wait to see you out there.

Bailey by name...

The Bailey story started back in 1948, when Martin Bailey designed and built the very first Bailey caravan in his South Bristol garage. His caravans soon captured the nation's adventurous spirit, and Bailey grew into the thriving, family-run business it still is today.

We've come a long way since those early days, not least in the millions (and millions) of miles covered by people in their Bailey caravans all over the world. With over 70 years of experience behind us, we never stop considering how we can push the boundaries of engineering and innovation in everything we do. And, like you, we're always looking forward to our next adventure, of course...

The Queen's visit

As part of our 65th anniversary celebrations, we were honoured to welcome Her Majesty The Queen and His Royal Highness the late Duke of Edinburgh to South Liberty Lane, to enjoy a tour of our production facility.

Family matters

We're proudly family-run to this day, and one thing hasn't changed a bit since Martin started it all: let's build great caravans that are superb value for money and inspire more and more people to Go Bailey!

Because, for us, there are few greater pleasures than getting out there, with a Bailey caravan behind us and nothing but the open road and good times with friends and family ahead.

The best bit? Everyone's welcome in the Bailey family, even if we haven't got to know you yet.

Here's to the next 70 years of making holidays.

OVER 70 YEARS YOUNG

What goes into The Nation's Favourite?

It all started with a simple question: “Is there a better way?” Leisure vehicle design and construction hadn't moved on very much for over 30 years, until we developed Alu-Tech and changed everything.

Alu-Tech is a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything else.

Greater protection against the elements comes from a significant reduction in the number of external joints and fixing points, along with using timber-free components in the upper bodyshell panels. Thicker, better-insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic), hugely improve the thermal performance of the bodyshell, for genuine four-season performance. All this, with no increase in weight or cost.

Turns out, there is a better way.

Since Alu-Tech first hit the road ten years ago, we've built more than 70,000 leisure vehicles using Alu-Tech technology.

LIGHTWEIGHT DESIGN
Alu-Tech is 10% lighter than conventional construction methods making them accessible to a wider range of tow vehicles.

TIMBER-FREE PANEL CONSTRUCTION
Timber-free bodyshell panels are more resistant to the elements, enhancing their longevity.

CENTRALLY MOUNTED GAS LOCKER AND BATTERY BOX
Improved weight distribution enhances vehicle stability and reduces nose weights.

AL-KO CHASSIS AND STABILISER HITCH
Provides the best possible platform on which to build our caravans, by maximising on-the-road stability.

SUPERIOR THERMAL INSULATION
Thicker fully laminated bodypanels provide superior thermal performance that allows you to holiday all year around.

BODYSHELL CONSTRUCTION
Four/five part fully laminated bodyshell construction enhances strength.

INTERLOCKING ALUMINIUM FRAMEWORK
Internal fixings clamp the body panels together, producing a shell of unrivalled strength and rigidity.

PRE-WIRED FOR WIFI
Pre-wired for easy retailer fit of mobile WiFi system.

AERO-DYNAMIC PROFILE
Curved rear domes optimise air flow to improve safety and fuel economy.

MORE INTERIOR SPACE
Flat roof panel design creates more internal headroom (1.96m or 6'5").

GRP CLOAKED BODY SHELL
Glass reinforced plastic skin for greater impact resistance and superior thermal insulation.

MOTORMOVER FITMENT
Pre-wired at the factory for the fitment of an optional motormover by your Retailer (cost option).

SUPER-SAFE WHEEL ASSEMBLIES
Pre-balanced TUV tested alloy wheels and bespoke caravan tyres.

EVEN MORE INTERIOR SPACE
Single skin front and rear panels increase overall internal body lengths, allowing for longer front seats and fixed beds, and larger shower cubicles.

We believe in more

We build every Bailey caravan on one simple principle: with high specifications at superb value for money with no hidden extras.

Simply put, we believe in more – and know that it’s the little things that go a long way. Comfort and convenience come as standard in every Bailey, but you’ll also find a host of extra features to make you feel at home, wherever you choose to make it.

So it’s not just your money that goes further. Our signature build quality means you and your Bailey do too.

EUROPEAN COMMUNITY WHOLE VEHICLE TYPE APPROVAL (ECWVTA)
All our caravans meet stringent European environmental, safety and security standards.

BRITISH HEALTH AND SAFETY
All our caravans comply with British Health and Safety legislation, as certified by the National Caravan Council.

SUPERIOR THERMAL PERFORMANCE
The highest classification of thermal insulation (Grade III of EN1645-I) makes all our caravans four-season certified.

SAFE AND SECURE
CRIS vehicle recognition system, concealed security data chip, plus smoke and carbon monoxide alarms.

FRONT VERTICAL SKYLIGHT
Our signature front vertical skylight provides unbroken views and fills the living area with natural light.

WINDOW BLINDS AND FLYSCREENS
Protection and privacy on all windows and rooflights, as well as the main entrance door.

USB SOCKETS
Conveniently located USBs throughout.

TV AERIAL AND STATION
Keep up to date with your favourite TV programmes courtesy of the Status 570 digital directional aerial.

MARKET-LEADING HEATING SYSTEMS
Fitment of either Truma or Alde heating systems keeps you comfortable whatever the weather.

INTERNAL LIGHTING SYSTEMS
12v interior LED task and mood lighting systems, with down-lighters and directional spotlights.

FURNISHINGS AND FLOORS
Premium quality fabrics and superior cushion construction, with practical drop in carpets (range specific) over durable floor vinyl.

DOMETIC REFRIGERATORS
Spacious Dometic refrigerators give you extra space for keeping your food and drink fresh.

THETFORD COOKING APPLIANCES
Rustle up your favourites with premium Thetford appliances featuring an oven, grill and hob.

BAILEY VALUE
As the Nation’s Favourite we like to give you more – meaning more standard specifications for your money and less on the optional extras list.

Made in Bristol

We've been proud to call South Bristol home since 1948. Martin Bailey designed and built the first Bailey caravan in his garage, just a stone's throw from the South Liberty Lane site that now houses our 14.5-acre production facility.

We think of ourselves as one big family. Most of us live nearby and have been part of Bailey for a long time (ten years is the average length of service).

Over 500 hands make every Bailey

From our joiners and electricians, to our designers and fabricators, we have the skills, expertise and experience to build a complex range of caravans and motorhomes, all in the same plant – and all by hand.

We've invested heavily in South Liberty Lane over the last 20 years, including the UK's only mechanised assembly line, so our optimised production process is considered one of the most advanced in Europe. Quantity sits very comfortably with quality.

OVER 500 HANDS
HELP MAKE
EVERY BAILEY

The road ahead

To push UK leisure vehicle manufacturing to the next level, we've completely redeveloped our South Liberty Lane site.

By relocating PRIMA Leisure to North Bristol and our Large Panel Laminating Plant (which makes caravan sides, ceilings and floors) to North Somerset, we've made space for the purpose-built Replenishment Centre, where we can store the thousands of parts we need to build our caravans and motorhomes. So the future of Bailey is as exciting and innovative as its past.

Tested to the limit

From desert dust to Arctic ice, we put our caravans through their paces, so they're at their best on the roads of Great Britain – and beyond.

Good enough simply isn't good enough. It's why we go to such great – and sometimes extreme – lengths to make sure our caravans and motorhomes can perform, whatever's thrown their way.

It's only through rigorous testing that we're satisfied our products are ready for the road. It's why we push our vehicles harder and further, and for longer – and continually set industry performance standards.

Every new range, for example, goes through cold chamber testing down to -15°C, so we can work with our heating system partners, to get the best possible results in thermal insulation classification. We also put them through accelerated life tests, so we can complete a full structural evaluation. The test conditions are far in excess of what a caravan is likely to encounter in its lifetime.

If something's not up to the job, we go back to the drawing board until it is, before testing it rigorously to make sure it's right. That way, when our products get out there on the road, we know every single one is the best it can be.

Go anywhere, do everything

Cold chambers and test trucks are one thing, but few things beat getting out there properly.

In 2015, we took two caravans on a 3,500-mile journey through the Australian Outback. During the two-week trip, they stood up to everything the elements could throw at them, proving they could hold their own in even the toughest conditions.

In 2017, we embarked on another marathon endurance test; this time with two caravans and a motorhome, on a 5,000-mile trip to Northern Finland – and well inside the Arctic Circle. Conditions couldn't have been more different than the Red Centre of Australia, but once again the vehicles took everything in their stride.

The successes of these adventures really whet our appetite. So, we decided to embark on a third: 21 countries in 21 days, across two continents – without a rest. From Bristol to Istanbul, we're proud to say the vehicles were more than capable and eager for more – even if we were well in need of a break.

Choose your layout

Before you explore which range and model is right for you, you can narrow down your choice by berth, bed configuration and washroom placement. You'll see which ranges correspond to your choices in the coloured bars beneath each layout.

Where to buy your Bailey

The next step is to find out a little bit more. We have a network of approved Retailers across the country, who we choose to work with because of their expertise. And, like us, they love to get out there and Go Bailey! themselves.

Once you've found your Retailer, you can explore the ranges and models first-hand, along with pre-owned Bailey caravans,* and find out which one is 'the one'. The Retailer will be on-hand to guide you through your decision and will be happy to talk through finance options, if you need them.

The Bailey warranty

Your new Bailey comes with the peace of mind of our manufacturer's warranty. Your caravan's bodyshell is covered with a six-year integrity warranty, while other parts and components are covered for up to three years.**

*Subject to availability.

JOIN THE CLUB

Once you're out on the road with your Bailey, you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is here to help you get the most from your Bailey caravan or motorhome. Completely independent from Bailey of Bristol, there are members all over the world – and there's even a 'Little Bees' club for younger caravanners.

Membership is full of benefits. You'll be invited to weekend events and rallies across the UK, often at exclusive venues, while enjoying discounts on longer holidays in the UK and abroad – as well as online discounts at PRIMA Leisure, of course. You'll even have the chance to come and tour the Bailey factory, and meet the people behind Bailey.

Price Guarantee. These prices are guaranteed subject to you ordering your caravan from the earliest production availability and that you take delivery within 14 days of dispatch from the factory. Retailer Delivery Charge. Your Bailey Retailer will make a charge of up to £645 to cover the cost of various additional services carried out prior to you taking possession of your new Bailey tourer. The main element of this charge will be the cost of transporting your tourer from the Bailey factory to your vending Retailer's premises. Your Bailey Retailer can confirm the details of the additional services available prior to making your choice. Optional Extras. Options pricing is only applicable on new leisure vehicle orders. Ask your supplying Retailer for more information. *Terms and conditions apply to the warranty extension schemes.
